

FARM VILLA COTTAGES

be in love with nature

Farm Villa Cottages brings in you a cheery reminder to live a greener and independent lifestyle. You can now relish in the beauty and tranquility of nature surrounded by a picturesque and glorious environment. Our Cottage homes represent the idea of green life amid the chaotic world.

“You can enjoy the rustic beauty of the garden and farmhouse, the floral jumble of plants in it, the freshly falling snow, charmingly sweet sound, and comforts of a lovely home”.

3BHK Farm House with plot area 20 cents (5 cents landscape in front, 5 cents for building with setback & parking and 10 cents backyard farm; BUA-1600 Sq.ft) We have inhouse design team to customize the plot area according to client's requirement
